Annual Report of the Town of

AUBURN, N.H.

1968

1968

University of New Hampshire
Library

The cover this year is once again of our Town Hall. It was originally given to the Town by the First Congregational Church in January 1947, "as a Memorial to the service men and women of all wars".

Now with the Town Offices complete, the Selectmen feel that, in this time of conflict, a re-dedication is most appropriate.

Therefore, on Memorial Day 1969, we urge all people to attend formal services at 11 A.M., and pause with us for a few minutes as we rededicate this Memorial.

In Memoriam

ROY F. SEAVEY

1927 – 1968

Road Agent October 1956 to March 1959

March 1967 to October 1968

The four town policemen graduated from the Rockingham County Law Enforcement Officers' Academy in January 1968. This consisted of 90 hours of classroom work and lectures in Exeter. All four men went on their own time.

The Auburn Police Department now owns two 2-way radios, two siren-penetrator-public address systems, three revolvers, uniforms, raincoats, Rolatape, two fingerprint sets, blue lights and jackets. It would cost more than $1400 to replace this equipment.

THE POLICE COMMISSION

REPORT OF FOREST FIRE WARDEN & DISTRICT CHIEF

People cause fires. Our records show that the number of fires increase in an area as the population increases and our state is growing tremendously. This means that we all must be aware of fire causes and do our best to prevent their occurrence.

When we are very young the lighted match is an adventure, burnt fingers and a dropped match is another fire. A little older we like to have a woodland cookout, or go out by ourselves for a smoke but fire and forests get together for another statistic. We adults like to clean up in the spring, burn the old debris and the dead grass, result – escaped fires and much personal expense.

With new homes and summer cottages located in woodlands and with abandoned fields and forests crowding the back yard of our villages' streets, it is necessary that everyone be aware all through the fire season, which comes with the disappearance of the snow, of the need to be careful with outdoor fires and fire sources.

The following action will help:

1. To teach our children the danger of lighted matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn–
   a. You need a written permit from the town fire warden for all debris burning except when the ground is covered with snow. Cooking fires in outdoor fireplaces or in charcoal brasiers in your own back yard is permitted on notification of the warden.
   b. The warden is forbidden by regulation to allow burning of household rubbish on grass by householders between 9:00 A.M. and 5:00 P.M.
   c. Have equipment on hand to control the fire before you light the match.
4. Promptly report any fire out of control to your fire warden or fire department.

Help to keep our town out of the fire occurrence column and save your tax dollars for useful purposes.

The Auburn Fire Association maintains 6 Red Phones and someone is available at all times to take your call. To report a fire call 3-2521. In less than two minutes men and equipment will be on the way to help you. Four trucks carrying over 3,200 gallons of water respond to all fires in town. These four trucks have a total pumping capacity of 1,700 gallons a minute with sufficient hose to get water to any fire in town.

Please write in the first page of your telephone directory under FIRE 483-2521.

Meetings of the Fire Department are held on the first Monday of every month at the Fire House. The VOLUNTEER Fire Department responded to 52 calls this year.

THE VISITING NURSE ASSOCIATION OF MANCHESTER

194 CONCORD STREET – MANCHESTER, N.H. 03104
Telephone 622-3781

The services of the Visiting Nurse Association, a United Fund Agency are available for all the residents of Auburn regardless of race, creed or ability to pay. The Association is a home health agency certified to care for Medicare patients.

The Visiting nurse provides bedside nursing care, treatment and instruction and the Registered Physical Therapist provides physical therapy; all services are carried out according to directions by the patient's physician.

Maternal and child health guidance and instruction is given before and after the arrival of new babies and classes for instruction of expectant parents are held three times yearly at the agency.

Family health guidance is also given with special emphasis on prevention of disease and promotion of health.

188 visits were made to Auburn residents in 1968. Miss Judith Filleul, R.N. is the nurse in the Auburn area.

The physician, patient, family or a friend may call the Visiting Nurse Association for service at 622-3781 Monday through Friday 7:30 A.M. – 4 P.M., 194 Concord Street, Manchester, New Hampshire.

A RED FEATHER SERVICE OF THE COMMUNITY CHEST

AUDITOR'S CERTIFICATE

We have examined the accounts of the Selectmen, Treasurer, Tax Collector, Town Clerk, Library Trustees, Trust Fund Trustees, Highway Agents, Cemetery Trustees, Forest Fire Warden and the District Court for the fiscal year ending December 31, 1968, and find them correctly cast with proper vouchers for all disbursements.

REPORT OF THE PLANNING BOARD

The Planning Board considered a total of 9 subdivision applications during 1968. While all of these were eventually approved, most required revisions to conform with the Town's Rules for Subdivisions. The Board believes that everyone should be aware of these rules and reminds all property owners that:

a) A subdivision is the dividing of any parcel of land into two or more sections.

b) Prior to the sale or rental of any subdivided land, the subdivision plans must be approved by the Planning Board.

For complete information on the Subdivision Regulations contact any of the Planning Board members listed in the front of this Report. The Board meets at the Town Hall at 7:30 p.m. on the second Wednesday of each month. Submission of applications should be made with these meeting dates in mind.

Secretary

CIVIL DEFENSE REPORT

The following equipment was purchased in 1968 (wholesale)

Power Pull (Come-a-long)	$39.00
Kennedy Tool Pry	42.61
First Aid Kits (3 @ $7.95)	23.85
Gas Can	9.75
Batteries-size D (24)	4.08
Batteries-size C (24)	3.84
Flares (12 @ $.36)	4.32
Flash Lantern	9.03
Fire Extinguishers (5@ $1.24)	6.20
Total	$142.68

These materials will be stored in the Police Office or in the cruiser, for emergency use.

In 1969 Civil Defense Funds will be used to purchase Surplus Desks, Chairs and office equipment for use in the Town Hall. This furniture can be bought at a fraction of the cost elsewhere. Materials may be purchased for use of the highway department, fire department, police department and town offices.

The Concord Office of Civil Defense has been very helpful in making available lists of surplus property that we might use here in Auburn.

Respectfully submitted,

Emerson C. Heald
Civil Defense Director.

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Auburn, New Hampshire qualified to vote in district affairs:

You are hereby notified to meet at the Auburn Village School in said district on the 14th day of March, 1969 at 8:00 o'clock in the afternoon, to act upon the following subjects:

1. To hear the reports of agents, auditors and committees or officers chosen and pass any votes relating thereto.
2. To see if the District will authorize the School Board to make application for and to accept on behalf of the District any or all grants or other funds for the educational purposes which may now or hereafter be forthcoming from the United States government and/or the State of New Hampshire.
3. To see if the District will vote to authorize the School Board to accept in the name of and in behalf of the School District gifts for the use of the school.
4. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the District.
5. To see if the District will vote to accept the provisions of Public Law 89–10 designed to improve educational opportunities with particular reference to low-income families, and to appropriate such funds as may be made available to the District under the Federal Act for such particular projects as may be determined by the School Board. Further, to see if the District will authorize the School Board to make application for such funds and to expend the same for such projects as it may designate.
6. To see if the District will vote to authorize the employment of a Business Administrator for N.H. Supervisory Union #10 according to RSA 186:11.

7. To see if the District will vote to appropriate the sum of $192,000. for construction, equipping and furnishing an addition to the Auburn Village School, including alterations to the existing building, and to determine whether any such appropriations shall be raised by taxation, by transfer from available funds, by borrowing, or by any other combination of these methods, or take any action in relation thereto.

8. To see if the District will vote to raise and appropriate the sum of $4,825.00 to pay the first interest payment on the new bond issue.

9. To transact any other business that may legally come before said meeting, including the appointment of committees.

SUPERINTENDENT'S REPORT

To the school board and citizens of Auburn I hereby submit my 6th Annual Report as your Superintendent of Schools.

During the time I have been privileged to serve the boys and girls and citizens of the community many changes have taken place. I am very happy to have had a part in the development of good education in the Auburn schools. I look with pride at the curriculum development, library service, guidance work, speech therapy, health services, physical education program, art and music and the new and improved educational facilities. It is the result of extra effort on the part of faculty, staff and interested citizens.

Many citizens have expressed a need for more understanding of the items in the school budget and therefore I take this opportunity to explain the factors that govern each line item in the school budget.

100 SERIES – ADMINISTRATION

110 Salaries of school district administrative personnel whose purpose is the general regulation, direction, and control of the affairs of the school district (school board).

135 Contracted Services – expenses for administrative services rendered by personnel not on the payroll of the district, examples: salaries and expenses for the school census, salaries and expenses of auditors (both local and tax commission) salaries and expenses of supervisors of the check list for school district meetings.

190 Other Expenses For Administration – expenses other than salaries, for expenses in connection with the system-wide administration of school district affairs, examples: moderator, ballots newspaper ads, school board expenses, annual meeting expenses, treasurer's postage.

200 SERIES – INSTRUCTION

This series consists of those activities dealing directly with, or aiding in, the teaching of students or in the improving of the quality of teaching. These are activities of the teacher, principal, reading consultant and other instructional staff.

210.1 Salaries of Principals – also salaries of assistant principals.

210.3 Salaries of Teachers – also salaries of substitute teachers, teachers of homebound, special class teachers, art, physical education, music teachers, librarians.

210.5 Salaries for Secretarial and Clerical Services – school secretaries, also secretarial aid for guidance or other personnel.

215 Textbooks – expenditures for textbooks, rebinding and other textbook repairs, freight and cartage.

220 School Libraries and Audio-Visual Materials – expenditures for school library books available for general use by students, repairing books, rebinding and other repairs to library books, freight and cartage on library books, library supplies, periodicals and newspapers for general use, films, filmstrips, recordings, exhibits, charts, maps, globes, other visual aids and television materials.

230 Teaching Supplies – expenditures including freight and cartage, for all supplies which are actually or constructively consumed in the teaching-learning process: for example; all test, chalk, paper, test tubes, ink, pencils, paints, paint brushes, crayons, chemicals, shop supplies, hand tools, oils, cleaners, food for use in Home Economics, music supplies, workbooks, physical education supplies, printing of classroom materials, curriculum supplies and magazines and periodicals for classroom use.

900 SERIES – SCHOOL LUNCH AND SPECIAL MILK PROGRAM

975.1 Federal Monies - expenditures for the reimbursement amount of federal monies to the separate school lunch fund. For example: the school district receives, from the state, a check for $300. of federal monies as a reimbursement for a portion of the cost of operating the school lunch and special milk programs. The $300 is posted as a receipt in the 40 series, revenue from federal sources, under account 45, school lunch and special milk program. When the $300 is posted to the school lunch fund, the the expenditure is posted under expenditure account 975.1. Expenditures and transfers of monies for general support of separate school lunch and special milk fund, federal monies.

975.2 District Monies - expenditures of district monies for the general support of a separate school lunch fund. For example: at the school district meeting $500. is appropriated to the school lunch program as the district's contribution to the program's operating costs; the expend-

iture is posted under account 975.2.

1100 SERIES – COMMUNITY ACTIVITIES

Services provided by the school district for the community as a whole, or some segment of the community, excluding public school and adult education programs operated by the school district.

1190 Other Community Expenses for Community Activities - This is the only account in this series which school districts in New Hampshire do not make much use of at present. The expenditures in account 1190 are, for example: direct expenses for community recreation, direct expenses for meetings of citizens, parent-teachers associations, public lectures and other civic-center activities, direct expenses of the school district for the public library.

1200 SERIES – CAPITAL OUTLAY

Expenditures for land or existing buildings, improvement of grounds, construction of buildings, or for initial or additional equipment, remodeling of buildings or rehabilitation of buildings.

1265 Sites - expenditures for professional services for sites, expenditures for the purchase of land, expenditures for the improvement of old and new sites and adjacent ways. Examples: professional services - drawings, specifications landscape, architects fees, appraisal fees, search and title insurance, site surveys.

1266 Buildings - construction costs for buildings, and additions consist of all expenditures for general construction, advertisements for contracts, payments on contracts for construction, installation of plumbing, heating, lighting, ventilating, and electrical systems; built-in lockers and other equipment built-into buildings, architectural and engineering services, legal services.

1267 Equipment - expenditures for initial or additional items of equipment, which are not built-in items. Furniture, furnishings, machinery, and vehicles.

1300 SERIES – DEBT SERVICE FROM CURRENT MONIES

These expenditures are for the retirement of debt and expenditures for interest on debt. Current monies consist of monies received during the current fiscal year which can be used to pay obligations currently due.

1370 Principal of Debt - expenditures from current monies to retire long term notes and serial bonds, regardless of the purpose for which the bonds were issued.

1371 Interest on Debt - expenditures from current monies for interest on long term notes and serial bonds.

1400 SERIES – OUTGOING TRANSFER ACCOUNTS

Expenditures made to other School Districts or Administrative Units.

Reasons for this series:

1. Usually expenditures in lieu of many different expense items, and since they may cut across several expenditure classifications, they are not readily changeable to any one classification.
2. When there are no membership or attendence data to which paying districts can relate the expenditures.
3. From the standpoint of the State or the Nation, such expenditures are actually transfers of funds between school districts, and in order to avoid duplication in consolidated data for the State or the Nation, it is necessary that the paying School District be able to identify such expenditures. In order to provide for this identification, such expenditures are recorded under this series.

1477.1 Tuition - expenditures for tuition to other school districts, public academies, or administrative units in the state for services rendered to pupils residing in the school district; Example: Tuition payments to Pinkerton Academy; Salem, Manchester Memorial, Alvirne.

1477.3 District Share of Supervisory Union Expenses - when a school district is one of two or more distracts, in a Supervisory Union, the districts share of the Supervisory Union expenses are recorded here.

1477.5 Payments into Capital Reserve Funds - payments from the school district to capital reserve funds maintained

by the trustees of trust funds.

1478.1 Tuition - expenditures to school districts or administrative units in another state for services rendered to pupils residing in the paying district. Example: Haverhill Trade School, Lowell Trade School.

1479.1 Tuition to Other Than Public Schools - expenditures in this line item are for example: pupils at Crotched Mountain Rehabilitation Center, Mrs. Jacques School, etc. Pupils attending this type of school usually have a mental or physical condition or disability for which the public school is unable to give proper education.

1479.2 Transportation (other than public school) - this account shows the expenditure for transportation of pupils assigned to Crotched Mountain or other schools equipped and staffed to educate the crippled, deaf, retarded, blind children. The transportation is by bus, taxi, private car, station wagon, and the owner is paid a fee.

Every School Sistrict, regardless of size, must maintain the minimum expenditure accounts that I have described above as long as the District expends any monies for the purpose or object indicated by an individual account. When a new purpose is necessary for an expenditure then an appropriate line item and number must be used in the proper series.

I have re-read my previous yearly reports and find that the concerns expressed there are still very much of prime importance. The growth of pupil population and its' attendant problems of housing, books, materials and staff will continue to be the District's number one problem.

I wish to thank the School Board Members, the faculty and staff, citizens and friends for their concern for education and for their action to solve the problems of growth while keeping an eye on quality.

Respectfully submitted

Robert W. Dolph
Superintendent of Schools

ASSISTANT SUPERINTENDENT'S REPORT

To the citizens of Auburn I hereby submit my third annual report as Assistant Superintendent of Schools.

The new salary schedule adopted by the School District enabled the hiring of fully certified teachers to fill new positions this September. We are also fortunate to retain many of our professional staff members from the past year.

The curriculum studies were continued this past summer in the areas of Social Studies and Language Arts. Teachers meeting together from all grade levels found that they could fit the needs of the various grades into a refined and logical sequence that would have a continuity in study skills obvious to the children. We now have in the hands of the teachers printed Social Study and Language Art guides. The curriculum study committee will continue to function throughout the school year in preparation for further summer work sessions. The areas of Mathematics and Science will be investigated during the next school year.

One of the most serious problems that face the School District is the need for additional classroom space. With the towns of Manchester, Salem and Nashua reaching capacity, the families are spilling over into the school districts of our Union. In planning new facilities, we must build on the basis of what is to come in curriculum and in methods during this half of the twentieth century. To accomodate change easily we cannot afford structures so rigid that only in a short time they will become an educational liability. We know well that we may use some old, well-tried schemes; there will still be one classroom with one teacher and one group of students, but we need the flexibility to change the one-teacher, one-classroom approach when it best fits our youngsters. The new school facilities MUST have flexibility.

Emphasis has been placed on the evaluation and supervision of teachers this past year. All the principals in the Union, working with the Superintendent's Office and Dr. Joseph Petroski, Professor of Education at the University of New Hampshire have developed a criteria for evaluation of the professional staff. This instrument has been adopted as policy by each school board in this Union for implementation as of September, 1968. This policy provides for a specific number of supervisory visits with the classroom teacher by the principal and the Superintendent or Assistant Superintendent. The focus of this new policy is to upgrade the quality of education being offered our children.

The solution to problems confronting learning goes on. We seek no one answer: we seek many answers, as many as we need, as many as will work for our youngsters - the many ways of learning that will speed him on his way towards a fuller education.

Respectfully submitted,

Bernard J. Ellis
Superintendent of Schools

REPORT OF THE PRINCIPAL

To the School Board, Citizens of Auburn, and the Superintendent of Schools, I hereby submit my annual report for the school year 1967-68.

The September, 1967, enrollment showed a total of 334 pupils and from this month to June of 1968, the gains outweighed the losses so that our final tabulation gave us an enrollment figure of 352 students.

THE STAFF: To the teachers who devoted their time to educational courses, curriculum improvement, and staff meetings, I express my thanks. Without the type of teacher cooperation demonstrated this past year, curriculum improvement would not have been possible.

THE CURRICULUM: The main effort throughout the year was strengthening of the reading program. With the guidance of Mrs. Marion Pounder, reading consultant, all pupils were placed at proper reading levels throughout the grades. This method of teaching reading provides each pupil with the advantage of progressing at a rate more suitable to his ability.

The fourth grade teachers received from the office of the Superintendent, the end product of a three year study, a curriculum Guide of New Hampshire with related materials. Integrated with the Educational TV program, Our New Hampshire, Channel 11 out of Durham, N.H., the fourth grade pupils were provided with appropriate and timely data for the study of our state.

Throughout the year the science laboratory was the scene of numerous activities and learning experiences. A science fair produced many worthwhile experiments. This culminated in the awarding of prizes to the best display in each of the grades from the sixth to the eighth and a grand prize to the overall winner – eighth grader, Gary Gelinas.

Our librarians, Mrs. Higgins and Mrs. O'Brien, were kept busy by the daily flow of pupils from all grades. Visiting the library was a happy experience for the primary graders. We are most fortunate to have books, though limited in number, for the various grade levels.

Mrs. Marion Heald, Nurse-teacher, in addition to treating cuts and bruises, provided a variety of health films which

included pupil participation through a follow-up question and answer period. Instruction in the harmful effects of drugs and alcohol was made available to the upper grade pupils by competent personnel provided by Mrs. Heald.

Speech therapy was available one half day per week. This program was made possible through funds from the ESEA Act of 1965. A counseling program, in effect one and one half days per week during the second semester was provided through the Child Development Center in Derry, N.H., under the supervision of the University of New Hampshire at no cost to our school.

The school band, a small group of pupils, were faithful in attendance at rehearsals and performed enthusiastically for the student body on several occasions.

The Glee Club, composed of 7th and 8th graders also volunteered their services during scheduled school activities.

PHYSICAL EDUCATION: The gym provided us with the facilities for programs within the school and for adults of the community. In addition to the regularly sponsored boys and girls basketball teams, all grades were scheduled for a period of physical education exercises. Participation was excellent and the children eagerly looked forward to their 'turn'.

A physical fitness program for women under the direction of Miss Nancy Coutts, 7th grade teacher, was held weekly on Wednesday evenings. Attendance by the ladies was above our expectations.

The first official girls' basketball team of the Auburn Village School spent many hours learning the basic fundamentals of this sport. Mr. Shanahan, the coach, and the girls faced only experienced players, yet managed to provide keen competition to their opposition.

THE PHYSICAL PLANT: As usual, several of the classrooms of the old building, after a school year, were in need of paint and repair. This was done during the summer months.

ACTIVITIES: During the school year, local, in state, and out of state educational field trips were taken by all grades. These trips afford the pupils an opportunity to learn about and become acquainted with locations outside of their community.

The Center for Arts Exposure of Manchester, N.H., pro-

vided a wealth of experience in the arts. The pupils were able to enjoy plays, dancers, folk singers, a string quartet and pottery making—provided by the Center at no cost to the community. In addition, numerous plays and skits were presented by the pupils. The entire student body participated in Memorial Day Exercises. All of these events were made possible due to the multi-purpose room. It served not only for sports, physical education, plays and films, cafeteria, Town Meetings, but for evening activities, such as Boy Scouts and ladies night.

CONCLUSION: Mr. Robert Dolph, Superintendent of Schools, and Mr. Bernard J. Ellis, the Assistant Superintendent of Schools, have provided us with their guidance throughout the year. We regret that Mr. Dolph is leaving our system for the State of Connecticut. He has had a tremendous influence in educational improvement in this Union.

In addition to Mr. Dolph and Mr. Ellis, I would like also to thank and express appreciation to the members of the School Board, our reading consultant, Mrs. Marion Pounder, Mrs. Marion Heald, nurse-teacher, Miss Judith Yeaton, music supervisor; to the cafeteria personnel, bus drivers, the custodians and the PTA.

Respectfully submitted,

John F. Larkin,
Principal

SCHOOL HEALTH REPORT

To the Superintendent and the School Board:

The School Nurse has several duties and they include the following:

Tuberculin Tests—First grade only—52—all negative

Vision Tests—500 students tested
36 referred to doctor
26 visited doctor

Hearing Tests—Grades 1—3—5—7 totalling 226 students
16 were referred to doctor

Speech Therapy—18 children received attention

Height and Weight—Checked all 8 grades

First Aid—726 received first aid treatment

Pre-school Registration—24 children registered

Home Visits—68

Crippled Children Clinic—3

Mumps — 12 German Measles—5 Chicken Pox—56

Pediculosis—9 Scalp Nits — 9 Impetigo—1

Dental Clinic—Sponsored by the PTA. Dr. Dionne of Raymond treated 60 students

Safety Program—3 movies were shown to grades 1-6

Drug Program—2 films were shown to grades 6-7-8 and Deputy Sheriff Heron gave a lecture on drugs

Dental Program—In addition to the Dental Clinic, we were able to obtain the services of a dental hygienist for an educational program for all 8 grades. This covered proper brushing, care of teeth, how and why teeth decay and how to prevent it, and proper dental nutrition.

Alcoholism Program—Mr. Jeffrey from State Public Health showed the movie "To Your Health" to grades 6-7-8.

Inspections—The first four grades were checked monthly

I wish to thank all who have helped to make the Health Program a pleasure to administrate.

Respectfully submitted,
Marion Heald, R.N.

REPORT OF THE READING CONSULTANT

To the Auburn School Board and the Superintendent of Schools:

The overall objective in Reading for the school year 1967-1968 was to establish a coordinated developmental program for all children, and to provide Remedial Reading on a part time basis for students needing extra help. In preparation for this, all children above the Primary grades were grouped according to their Reading achievement levels prior to the opening of school. Pupils in Grades 1–4 received instruction in their self-contained classrooms, while those in Grades 5–8 were assigned by groups to teachers for a definite Reading period each day. This plan proved to be quite successful, and was instrumental in the development of further planning for the future.

In attempting to establish a program which would give attention to the needs of all the children, varied activities were carried out. Early in September, standardized tests in Reading were given in grades 1–6. From these, strengths and weaknesses were noted, thus guidelines for instruction in the classrooms. New teaching materials were introduced, including programmed materials which provide an opportunity for each child to work on his own level, audio-visual aids, and phonics practice kits. In-service meetings involving teachers and the consultant were held periodically throughout the year. Assistance was also given at in-service meetings by Miss Jane Page, consultant from the Scott, Foresman Company, who gave many valuable ideas on effective teaching of the Language Arts, and by a representative from A.H.Rice Company who demonstrated the proper use of audio-visual equipment which had previously been purchased for the school under Title 1 Federal Grant.

It has been my pleasure to work in your school during this school year. At this time I would like to thank Mr. Robert Dolph, Superintendent of Schools, and Mr. Bernard Ellis, Assistant Superintendent, for their guidance; Mr. John Larkin, Principal, for his support and cooperation; and the entire teaching staff, without whose commendable efforts the Reading program would not have been so well implemented.

Respectfully submitted

REPORT OF SPEECH THERAPIST

The Supervisory Union #10 Speech Program was again funded by the Federal Government in 1967-1968. The program continued with Dr. Don Glen Sandy of Boston University as a consultant making four visitations throughout the year. Four Education Masters students were employed one day weekly and provided services for the eleven participating schools in Auburn, Chester, Derry, Londonderry and Windham.

Approximately one hundred and twenty students in grades 1-8 were seen for articulation, voice and language therapy and fluency problems. Progress was determined by therapist's observations, weekly records and tape recordings, and parent and teacher observations. Individual parent conferences were arranged when necessary and group meetings were held each semester.

Teacher workshops were held in May. Pamphlets compiled by Dr. Sandy and the therapists and containing speech-oriented classroom activities were distributed. Discussions were concerned with the teacher's role in aiding the speech handicapped child.

A six week summer program was organized. Approximately sixty children were seen. Headstart children needing therapy were included.

Perhaps the most important accomplishment of the past year was the employment of a full-time therapist for the 1968-1969 school year. It is hoped that the speech program will continue to grow so that it may more adequately cope with the needs of the increasing school population in the growing communities.

SUMMARY OF FINDINGS AND RECOMMENDATIONS

December 30,1968

The School Board
Auburn School District
Auburn, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Auburn School District for the fiscal year ended June 30, 1968, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

FINANCIAL STATEMENTS

Comparative Balance Sheets: (Exhibit A)

Comparative Balance Sheets as of June 30, 1967 and June 30, 1968, are presented in Exhibit A. As indicated therein, the Net Debt of the District decreased by $13,174.80 during the fiscal year ended June 30, 1968.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures – Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1968 are presented in Exhibits C and D. As indicated by

the Budget Summary (Exhibit D), a net overdraft of appropriations of $213.20, less a revenue surplus of $98.30, resulted in a net budget deficit of $114.90.

Statement of Receipts and Expenditures: (Exhibit E-1)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1968, made up in accordance with the uniform classification of accounts, is included in Exhibit E-1. Proof of the Treasurer's balance as of June 30, 1968, is indicated in Exhibit E-2.

Building Fund Account: (Exhibit F)

The activity in the Building Fund Account during the fiscal year is shown in Exhibit F.

School Lunch Program Account: (Exhibit G)

The School Lunch Program Account activity is presented in Exhibit G.

Statement of School Tax Account: (Exhibit H)

A statement of the School Tax Account with the Town of Auburn is presented in Exhibit H. As indicated therein, as of June 30, 1968, the School District had received from the Town the total of the 1967-68 School Tax, the amount of which was $212,027.04.

Statement of Bonded Indebtedness: (Exhibit I)

The outstanding bonded indebtedness of the School District as of June 30, 1968, as well as annual debt service requirement, are contained in Exhibit I.

GENERAL COMMENTS

Current Surplus or (Deficit):

The current financial condition of the School District changed from a current surplus (excess of total assets over current liabilities) of $6,710.30, to a current deficit (excess of current liabilities over total assets) of $114.90, during the fiscal year ended June 30, 1968, as shown herewith:

	June 30, 1967	June 30, 1968
Total Assets	$17,925.12	$7,069.66
Current Liabilities	11,214.22	7,184.56
Current Surplus or Deficit	$ 6,710.90	($ 114.90)

Overdraft of Appropriations and application of Municipal Budget Law:

As indicated by the Budget Summary (Exhibit D), the District incurred a net overdraft of appropriations of $213.20. Total expenditures exceeded budgetary appropriations as indicated below:

Overdraft of Appropriations	$7,306.28
Unexpended Balances of Appropriations	7,093.08
Net Overdraft of Appropriations	$ 213.20

In accordance with the provisions of the Municipal Budget Law (R. S. A. 32:10) which has been adopted by the Town of Auburn, in case of an emergency which necessitates making an expenditure in excess of budgetary appropriations, the School Board, with the approval of the Town budget committee, is required to apply to the State Board of Education for a certificate authorizing such emergency spending. The records do not indicate that this requirement was fulfilled.

Chapter 32, Section 10 of the Revised Statutes Annotated is quoted herewith:

"Exceeding Appropriations. In towns adopting the provisions of this chapter, no board of selectmen, school board, commissioners of a village district wholly within said town, or other expending agency shall pay or agree to pay any money or incur any liability involving the expenditure of money for which an appropriation has not been made, or in excess of any appropriation or allotment made to it, except for the purpose of paying judgments rendered against the town or school district or said village district, provided, however, that in case of sudden and unexpected emergency the selectmen or village commissioners on application to the tax commission and the school board on application to the state board of education, after hearing, may be given a certificate of emergency authorizing them to make such expenditure or incur such liability, provided that no such certificate of emergency shall be granted unless the budget committee of the town has approved the expenditure. In cases arising during the year following the annual meeting where changes occur which make it unnecessary to use the amount appropriated for a specific purpose, an unexpended balance may be transferred by the board of selectmen or the school board or the village commissioners of such

village district from one appropriation to another, provided the total amount expended for all purposes does not exceed the total amount appropriated at the town, school or village district meetings for all purposes."

Fiscal Accounting Records Prescribed for E.S.E.A. Title I Funds:

Regulations governing fiscal accounting records for "E.S.E.A. Title I" funds granted the District require separate accounts with accurate line item records of receipts and expenditures to be kept for each approved project. The use of separate purchase orders for the procurement of supplies and services, special vendors invoices, as well as segregated vendor and payroll manifests are likewise required.

Accordingly, appropriate control and detail ledger accounts should be maintained for each individual program. These records should reflect the financial activities for the entire fiscal life of the program and are to be closed at the termination of project activities or after all obligations incurred have been discharged.

Disposition of unencumbered or unexpended funds should be clearly indicated on the records.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Auburn School District for their assistance during the course of the audit.

Yours very truly,

INFORMATION FOR AUBURN RESIDENTS

BURNING REGULATIONS ✰ TO REPORT A FIRE—DIAL 483-2521

The State of New Hampshire requires that written permits be obtained for all open fires at all times when the ground is not snow covered.

Permits may be obtained from the Forest Fire Warden, Mr. Cedric Preston, for grass, brush, campfires, etc. Permits must be obtained on the day burning is to be accomplished.

Burn when there is no wind, on rainy and damp days, in a safe place and in accordance with the terms of the permit. Burn before 9:00 A.M. and after 5:00 P.M. Keep some buckets of water close by; if wind develops, promptly extinguish the fire. All fires must be extinguished before you depart the scene.

LICENSING OF DOGS

Each owner of a dog 3 months old or over must register the dog with the Town Clerk, before April 30. Each dog over 3 months must have received a "rabies vaccination"; certificate of vaccination to be presented to the Town Clerk at time of licensing. Each dog must wear a collar around its neck distinctly marked with its owner's name and bearing attached to said collar a metal tag distinctly marked with its register number.

License fees are as follows: Male and spayed female—$2.00; female—$5.00. Kennel licenses are available for owners of 5 or more dogs; $1.00 penalty if not paid by June 1st.

DISPOSAL AREA REGULATIONS

The operating days and hours of the Auburn Town Dump are from 8 A.M. to 5 P.M. Saturdays and Sundays. The Dump is for the use of Auburn residents only. All trash must be thrown over the bank. Garbage and dead animals or dead fowl must not be brought to the Dump.

TRAILERS AND MOBILE HOMES

A recent New Hampshire Statute requires that owners of trailers and mobile homes furnish proof of payment of Town taxes to trailer movers prior to removal of trailers from the Town. Owners should secure complete information from the Selectmen or Tax Collector as severe penalties are adjudged for failure to comply.
